Improve your inner beauty without breaking the bank

Mascara? Check! Under-Eye
Concealer? Check! Blush? Check!
Inner-Beauty? Um...

Want to know the best kept beauty and health secret in Hollywood among Celebs and Fashionistas? Well, the answer comes with a \$1500 price tag in the form of a vitamin mineral shot. Can't afford it? Not to worry... celebrity nutritionist Oz Garcia PhD has teamed up

with AriZona Beverage Company to create two innovative, healthy FastShot formulas: A.M. Awake and P.M. Relax – the first healthy alternative to the energy drinks and sleeping aids on the market. Focus on improving your inner-beauty with these specialized formulations that are loaded with antioxidants and assist in regulating your body's inner clock while delivering important vitamins and nutrients to help the mind and body function more efficiently.
