

COSMOPROF NORTH AMERICA BRINGS BEAUTY TO LAS VEGAS

Cosmoprof North America, held in July at the Mandalay Bay Convention Center in Las Vegas, brought together all segments of the professional beauty and wellness community connecting attendees with exhibitors from more than 30 countries.

Salon and spa owners and managers found business contacts offering everything from hair, skin and nail products to packaging, education and fashion trends.

The popular Wellness Summit offered two days of seminars with speakers that included Dr. Barry Sears, author of the Zone diet, and longevity coach **Oz Garcia**.

An expanded roster of business education focused on a variety of topics including marketing, leadership, forecasting trends and a presentation by Tim Sanders, author of the best-selling *Likeability Factor*.

The highlight for visiting salon professionals was the annual North American Hairstyling Awards presentation, which was held Sunday, July 23. Complete NAHA coverage can be found in the September issue of MODERN SALON.

Cosmoprof North America 2006 is scheduled for July 16-18 at the Mandalay Bay Convention Center in Las Vegas. For more information, call 800-468-2274 or visit www.cosmoprofnorthamerica.com.
